## VIDEO CAMERA COMPATIBILITY

A comprehensive list of all the video camera makes and models that we have previously made a mount for. If you can't find your video camera within this list - don't panic! Just drop an email to [sales@unicol.com](mailto:sales@unicol.com) or **enter the projector details when ordering online** and we'll check its compatibility and design and manufacture a new one for you if necessary.

[SEARCH VIA MANUFACTURER](#)

[SEARCH VIA GROUP CODE](#)

During our 55+ years of manufacturing, we've produced dedicated/universal mounts for lots of video cameras and during this time we've noticed that some of them match one another. These group codes reflect the different mounts produced and show what other video cameras will work with each code.

Whilst we keep this as up-to-date as we can, we know that some projectors may be missing - if this is the case, please email [sales@unicol.com](mailto:sales@unicol.com) or enter the product details when ordering online.
